THE FAMILY GETS A COMPUTER: LESSON PLAN

GOAL
To raise awareness of cyber safety issues for young children through traditional early childhood education methods including family and classroom reading opportunities, hands on experiences, and interactive learning.

OBJECTIVES
1. The student will understand the importance of being safe online
2. The student will create a Savvy Cyber Kid identity to promote safety online by not disclosing personal information to strangers

VOCABULARY WORDS
1. Savvy
2. Computer
3. Safety
4. Online
5. Cyber
6. Personal

PROCEDURES
1. Read Aloud/Think Aloud - Starts with focus questions, while the facilitator is reading aloud, the facilitator poses questions to the kids for them to think about
2. Model for the students how you can create a safe identity for yourself – talk about hobbies, interests, favorite shows, favorite colors, etc. and then the students will create their own Savvy Cyber Kids identities with the assistance of their family member, teacher, volunteers and the facilitators.
3. Activity Sheet 1 – Color male or female Savvy Cyber Kid (CyberThunder or CyberPrincess)
4. Activity Sheet 2 – Kids draw (and decorate) their own Savvy Cyber Kid and create a Savvy Cyber Kid name.
5. Activity Sheet 3 (for older students) – Word Search
6. Introduction of students with their online identity name (Savvy Cyber Kids name) and why they chose it.
7. Review focus questions
